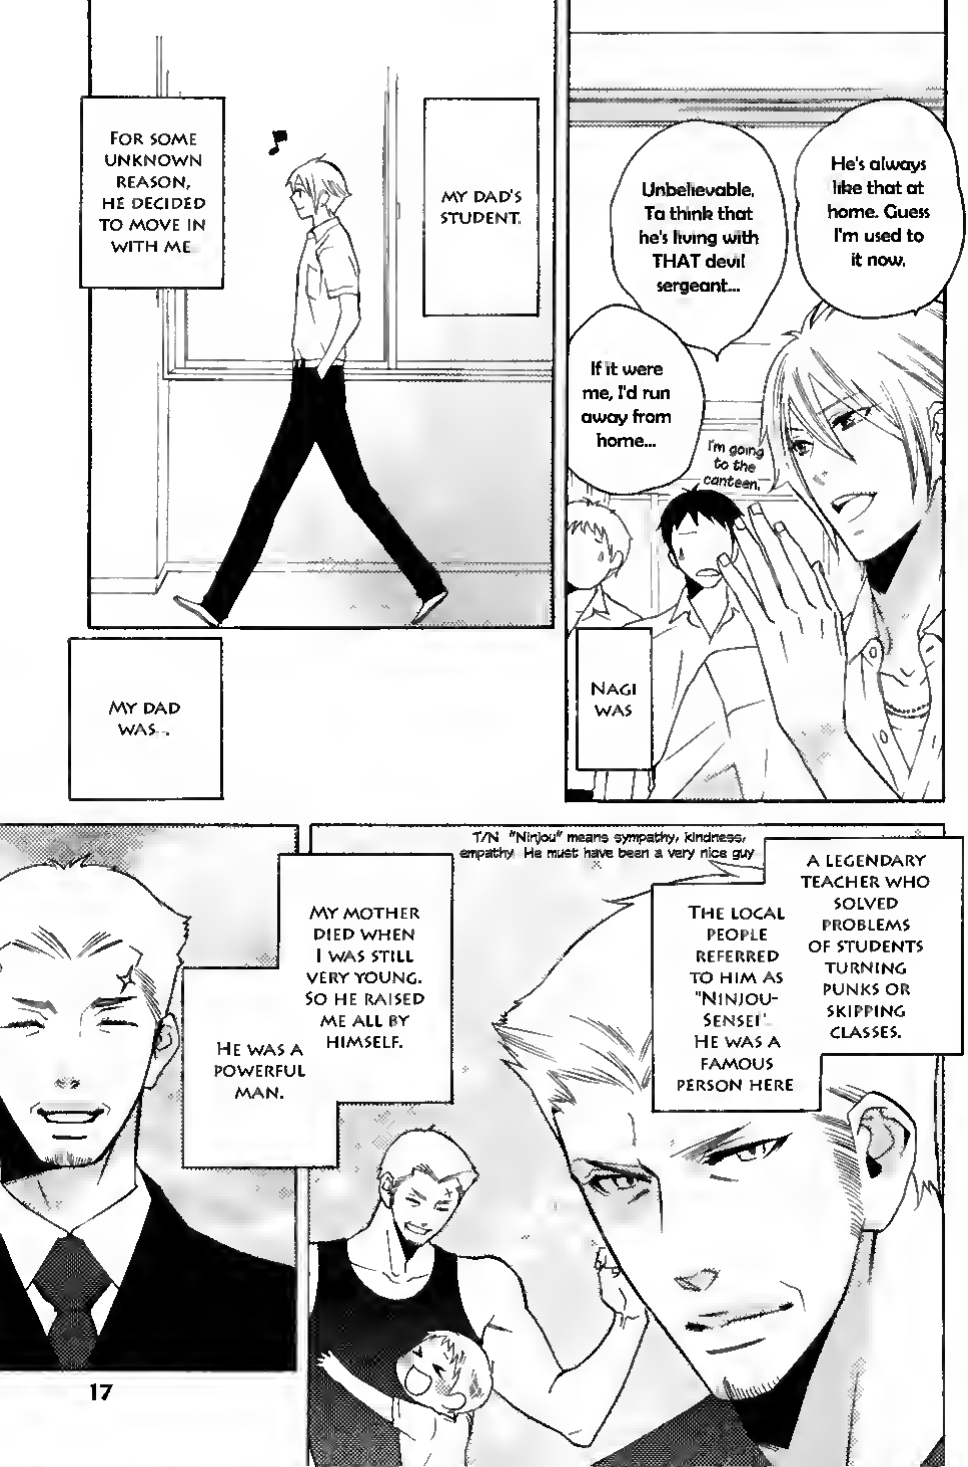
* If your voice is too small, you'll be treated as absent

Well then, for the first period, we'll have Japan History class.
It's been two months since I've been assigned here. And I'm sure all of you are pretty much used to my methods. But just in case
I never write on the board. So make sure you remember every single word I say
Even though this subject isn't included in the exams, those who take my lessons for granted...
BAM!

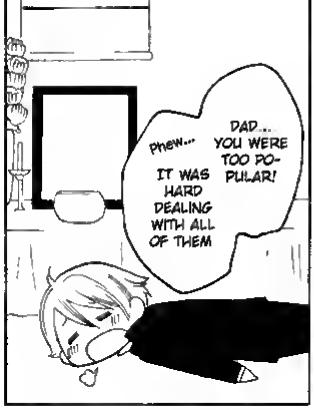
Crack
Crack
Keep that in mind.
I'll thoroughly fix that rotten guts of yours.
NO. 8
I know I'll get chosen today So I'm all ready with the reviews...
Today's June 8th so number 8...
Well then, let's review.
It's nowhere in the text book. I told you that o few minutes before our previous class was over.
What's wrong? Answer me.
Umm... Umm...
EEEK?! Me?!
What is the name of the lord that defeated the Mori Naval Army?
...or so I thought. It's May 15th according to the Old Lunar Calendar. So number 15.
NO. 15
So?
The class will be on hold until you can answer.
I... I don't know.

There, there.
Girls think they can get away just by crying. It's hard to deal with girls like that.
Because of you, we've already wasted two minutes.
Really...
sob
sob
sob
Tanami-kun...
Nakamura was absent last week. There's nothing she can do about it.
Right?
Because she was absent, she should have done more efforts to catch up. I thought I've taught you that already.
glare
Fine. Then Tanami. Give me the answer.
Bring it on!
raise

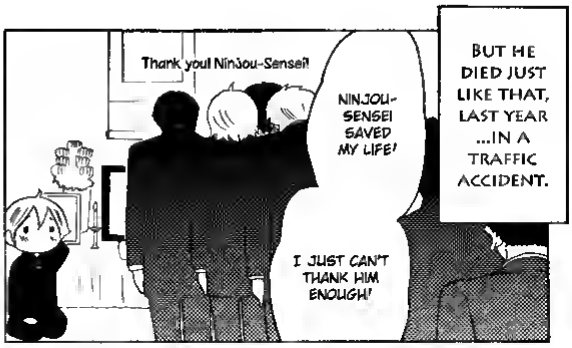
I told you not to call me that when we're at school! You pudding-brained punk!
What are you doing... Nagi?!
slap slap slap
slap
The punishment goes to Riku...
Phew...
You're out of the question!
What was the question again?!
whack
Ding Dong Bang Dong
He shows no mercy even with the girls... He's so scary!
I wet my pants when my eyes meet with Omikubo's.
Thanks for saving me!
You think so?
Riku! You're amazing!
You can stand up to that Deman Sergeant...
slurp



FOR SOME UNKNOWN REASON, HE DECIDED TO MOVE IN WITH ME.
MY DAD'S STUDENT.
MY DAD WAS...
NAGI WAS
Unbelievable. To think that he's living with THAT devil sergeant...
He's always like that at home. Guess I'm used to it now.
If it were me, I'd run away from home...
I'm going to the canteen.
T/N "Ninjou" means sympathy, kindness, empathy. He must have been a very nice guy
HE WAS A POWERFUL MAN.
MY MOTHER DIED WHEN I WAS STILL VERY YOUNG. SO HE RAISED ME ALL BY HIMSELF.
THE LOCAL PEOPLE REFERRED TO HIM AS "NINJOU-SENSEI". HE WAS A FAMOUS PERSON HERE
A LEGENDARY TEACHER WHO SOLVED PROBLEMS OF STUDENTS TURNING PUNKS OR SKIPPING CLASSES.



DAD... YOU WERE TOO POPULAR!
Phew... IT WAS HARD DEALING WITH ALL OF THEM



Thank you! Ninjou-Sensei!
NINJOU-SENSEI SAVED MY LIFE!
I JUST CAN'T THANK HIM ENOUGH!
BUT HE DIED JUST LIKE THAT, LAST YEAR ...IN A TRAFFIC ACCIDENT.

WHAT SHOULD I DO ALL BY MYSELF FROM NOW ON, DAD...?
.....
DING DONG
THAT DAY...
BURN SOME INCENSE FOR HIM?
CAN I...
NAGI CAME.

THREE HOURS LATER.

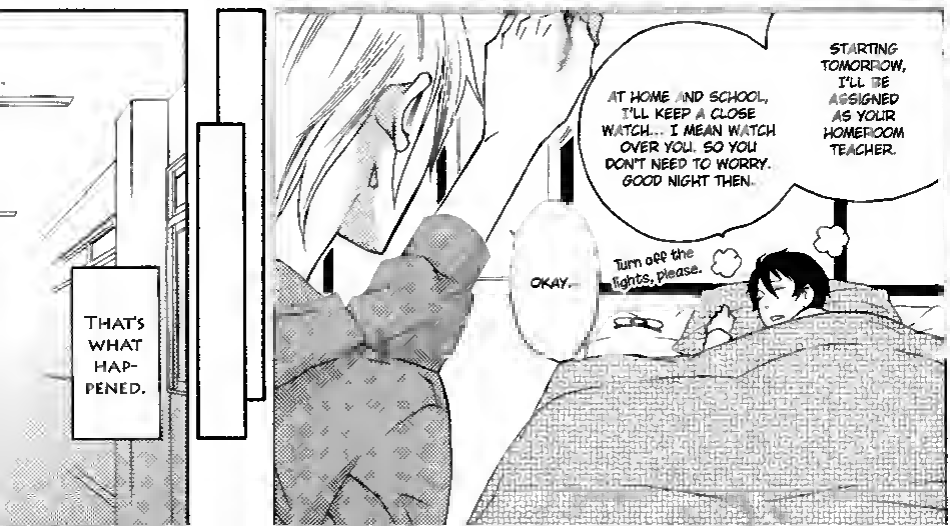
IT MUST BE HARD FOR YOU TO LIVE ALONE
I WILL LIVE WITH YOU UNTIL YOU BECOME AN ADULT
I'LL BE FINE BY MYSELF!
THERE'S NO NEED FOR A STRANGER LIKE YOU TO DO THAT MUCH!
AH, YES, ONE MORE THING



STARTING TOMORROW, I'LL BE ASSIGNED AS YOUR HOMEROOM TEACHER.
AT HOME AND SCHOOL, I'LL KEEP A CLOSE WATCH... I MEAN WATCH OVER YOU. SO YOU DON'T NEED TO WORRY. GOOD NIGHT THEN.
Turn off the lights, please.

Huh? Is it strange?
IF MY MOM WERE STILL ALIVE, SHE WOULD PROBABLY ACT JUST LIKE THIS.

Chopsticks shauld be held just like a pencil.

Nagi...
Now that you mention it, you also hold a pencil in a fist...
We need to fix that...

Only for Japanese History.
Though my grade has improved thanks to that!
I'm returning your test papers from the other day!
If you don't want to die, come and take it!
Tanami Riku!
Yes!
Ehehe~
AAAH~ WHAT SHOULD I DO?

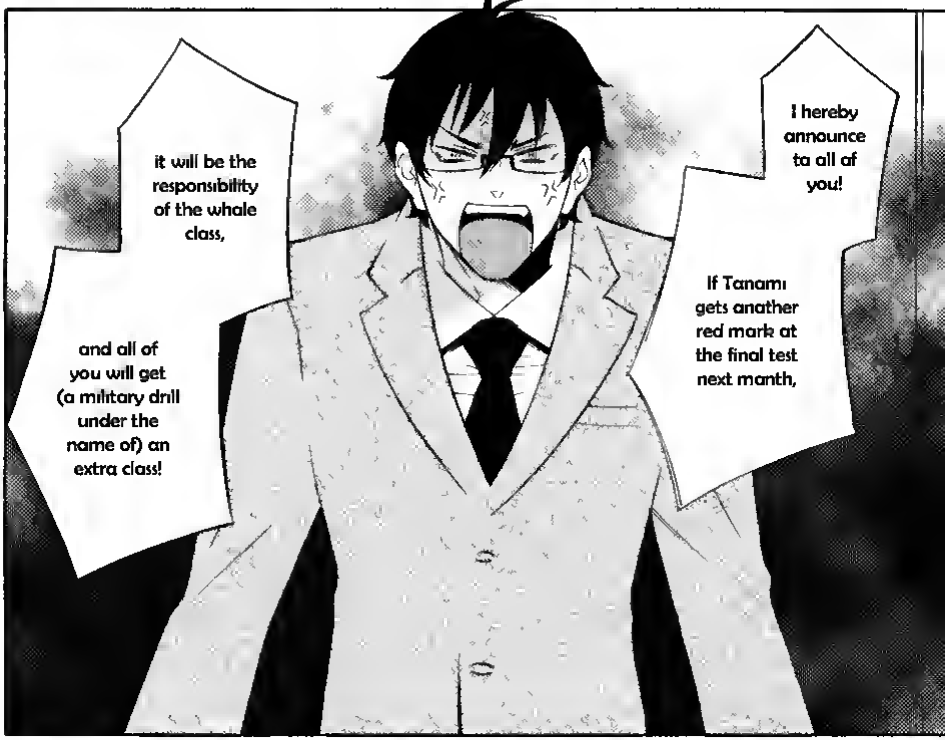
20
You're the only one with a red mark!

Japan History has always been confusing for me from the start.
Now that I've realized I'm in love with Nagi,
I can't even understand anything in class.
Therefore, Kosaka Masanabu who had gained the favor of Shingen...
Class is the time when I can stare at Nagi.
After the battle of Kawanakajima, the Takeda Army used Kaizu Castle for...
The moment when I can listen to Nagi's voice.
Tanami, are you even listening to me...?
Smile
Smile
I'm listening.

Those sweet whispers of yours...
Let me hear more...



I hereby announce to all of you!
If Tanami gets another red mark at the final test next month,
it will be the responsibility of the whole class,
and all of you will get (a military drill under the name of) an extra class!

That's all for today.
If you've got complaints then tell them to that dickhead over there.
DICK HEAD
DING DONG DANG DONG
KYAAAAH! NOOOOOO!

Okay! I'll do my best!
I want to have Nagi all for myself by summer break. .
I want to show my cool side too, so I guess I must study and get my grades up
Riku!
EVEN MONKEYS CAN UNDERSTAND THIS JAPAN HISTORY
If... if you gets a better grade, I don't mind going out on a date with you...
I'll lend you my notes!
Rikuuuuu, I'm begging you! Please study!
Ng...?

Mmmh... It's warm...
NAGI.
PLEASE LOVE ME.
Is there any historical figure that you like or respect?
If you have one, you can get better bosed an wanting to know more about him.
...it's useless for a monkey like you ta memorize the history ward by word.
You must have an interest even for a little and some curiousity about it.
Ahh... My head hurts.
..."Maeda".
Who became a stepping stone for the Kaga-clan to reach an income of over 1.000.000 koku?
Hint!
That's a manga character!
Maeda Taison!

I love you, Nagi!
I want to know more about you!
I respect my dad.
Ah, and
I see...
ignoring

I respect Kaiji-sensei.
I do, too...
more than anyone else in history,
Just kidding~!

NAGI...

Gasp
It's already late.
I'll teach you the rest at school.
Okay.
NAGI AND DAD... I WONDER HOW THEIR RELATIONSHIP WAS.
BUT I'VE GOT THE FEELING IT'S NOT A GOOD THING TO ASK.
I'M CURIOUS.
A FACE HE NEVER SHOWS TO ME
HE BECOMES DISTANT... GAZES FAR AWAY, WITH A GENTLE EXPRESSION ON HIS FACE
EVERY TIME WE TALK ABOUT DAD,

Now we can greet the summer holiday!
Riku! Thanks a lot!
I'll date you!
No need to.

61
Barely passing grade!
I'm amazing!

Tanami...
Well done.
This is quite impressive for you.
smile
I...
HE SMILES...!

I GUESS I REALLY AM IN LOVE WITH NAGI.
I REALLY REALLY LOVE HIM
What is it, jerk? I'm praising you... Can't you at least thank me?
I JUST... CAN'T HELP MYSELF.
REFERENCE ROOM
I'm organizing documents right now. You can go home first.
Yeah?
Nagi.
I already cooked rice and prepared some meals this morning. They're in the refrigerator, so just heat some in the microwave and eat...

...what are you doing?
Nagi,
I am serious.
You better stop doing this kind of thing!
If you dare make fun of me any more than this...
I'm not making fun of you!
I really love you, Nagi! I'm in love!

You probably don't get any attention from girls, and you got tired of masturbating alone, so you start searching for comfort from the closest person... I bet that's about it, right?
I don't hove time to deal with your sex drive.
It's love!
Because I...
only want you...
Only you...!
You damn virgin...

despite my position as his guardian...

I ended up
